¿Cómo cuidar tus accesorios?

Nuestras joyas son creadas con los materiales más resistentes y duraderos. Pero si quieres que te duren por mucho más tiempo, sigue estos consejos y siempre el estilo estará de tu lado.

Evita utilizarlos al hacer deporte o al dormir, tu sudor puede deteriorar las joyas.

No aplicar cremas ni perfumes a los accesorios.

Guardarlos por separado, en una caja o bolsita de tela. No los dejes a la intemperie.

No los sumerjas en agua de mar o piscina, ni mucho menos que tengan contacto con jabón o detergentes.

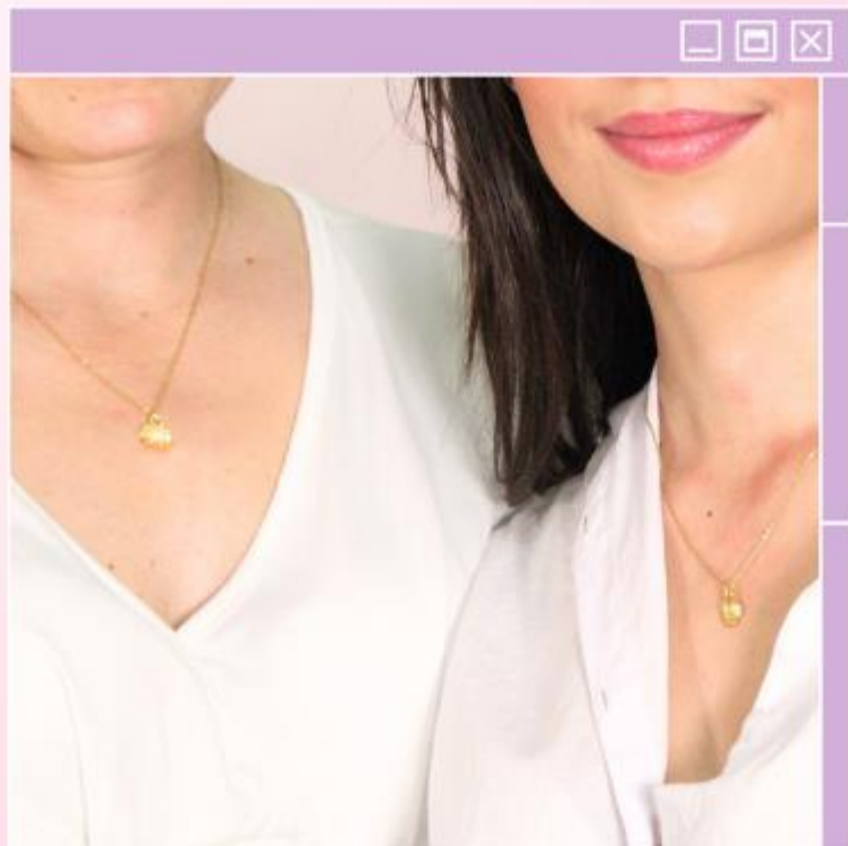

Para limpiarlos, usa un paño suave de algodón.

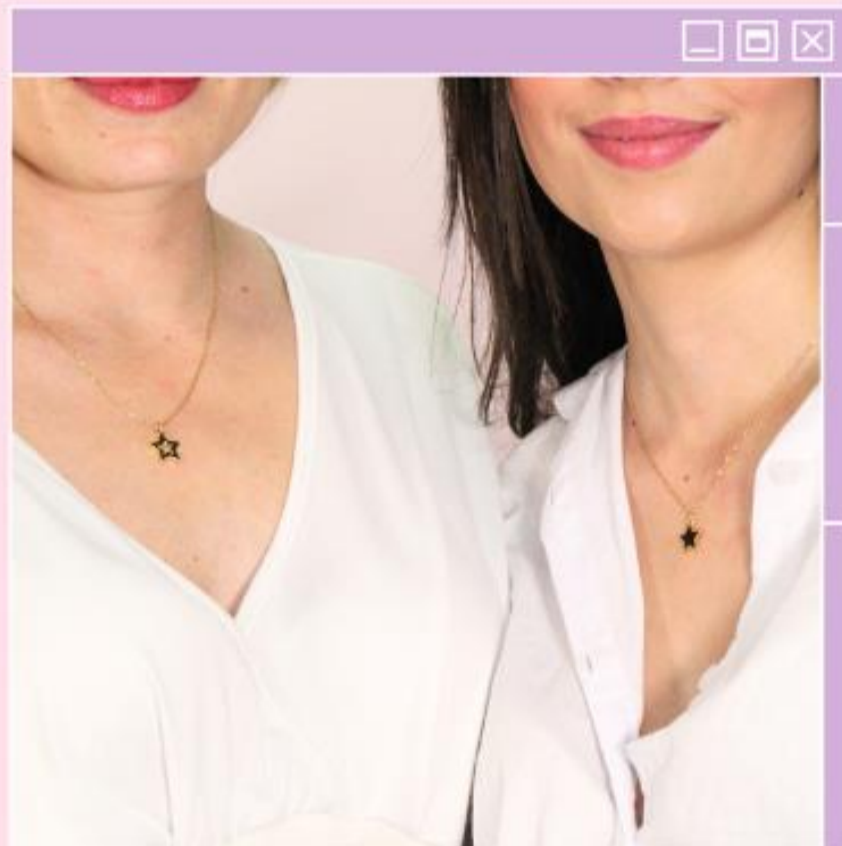

Los daños y deterioro por mal uso no los cubre nuestra garantía.
